

*Mosh is the only place where I feel completely comfortable being myself. Going to camp has been an invaluable experience for me: it has given me confidence, a passion for social justice and my best friends.*

## Refer-A-Friend

We love referrals!

In fact, the majority of our campers come through word-of-mouth recommendations.

As a thank you to our camp parents for promoting us, we offer a

# \$200 CREDIT

for every registered referral.

Please have interested families contact [abby@campmosh.org](mailto:abby@campmosh.org), or contact Abby with the referral information. After the family has registered and listed you as the referral source, a \$200 credit will be applied to your account for the current camp season.
